- Awarded Bronze Medal in the Best Competitions category at Kaleidoskop Kemahasiswaan UPNVJ Award 2024
- Supervised the planning and execution of 8 events and 6 competitions, ensuring smooth and successful outcomes
- Led an 18-member event team, fostering collaboration and ensuring successful execution

PKKMBF-IK 2023 **Jun 2023 - Aug 2023**
Event Coordinator

- Planned and managed a two-day intensive orientation program for freshmen at the Faculty of Computer Science, UPN "Veteran" Jakarta.

Certifications

Code Generation & Optimization with IBM Granite **Aug 2025**
Issued by IBM SkillsBuild

Data Analyst & Business Intelligence **Jul 2025**
Issued by Celerates School

System Analyst Specialist **Jul 2025**
Issued by LSP UPNVJ

Information Technology Specialist in Data Analytics **Dec 2024**
Issued by Certiport

Academic Projects

Correlation Analysis Between Climate Conditions and Agricultural Productivity

- Used Hadoop, Pentaho, MySQL, MongoDB, and Python to analyze climate change effects on agriculture
- Identified key correlations between climate variables and crop yields, supporting sustainable strategies

Preddy - Web-Based Diabetes Detection System

- Built a Flask-based web app using Random Forest Classifier for diabetes detection.
- Integrated Pickle for model storage and HTML for a user-friendly interface.

Prediction of Student Academic Performance Using Decision Tree and Support Vector Machine (SVM) Methods

- Developed predictive models using Decision Tree and SVM, achieving 76% accuracy
- Used Pandas, NumPy, Matplotlib, and Seaborn for data analysis and visualization

Implementation of Odoo System for Supply Chain Logistics and Transportation Management

- Implemented an Odoo-based ERP system for PT Buana Agro Nusantara.
- Optimized route planning, real-time tracking, and workflow automation to enhance logistics.

Stugo - English Learning App for Children with Autism

- Designed a Figma prototype for an educational app using the TEACCH method.
- Incorporated interactive learning elements to enhance accessibility for autistic learners.
